

THE 2<sup>ND</sup> ANNUAL

# ADVANCES IN UROLOGIC CARE

## Scientific Agenda

---

Club Med Michès Playa Esmeralda, Dominican Republic  
November 17 - 21, 2021

# Advances in Urologic Care

The Urology team at Brigham and Women's Hospital is excited to host its 2nd annual international scientific conference on urology at the Dominican Republic's newest gem: Club Med Michès Playa Esmeralda, an eco-chic resort made unique by its untouched beauty and pristine natural setting. We invite you to join us and learn a broad overview of many areas of our specialty from exceptional speakers: The faculty of Harvard Medical School, carefully selected keynote speakers and other guest faculty. The program's curriculum provides broad and inclusive content ranging from clinical controversies to specific new and innovative therapies. You can rely on this program for updates and advances that impact day-to-day practice, clinical decisions, and patient care. The scheduled program is also designed to include many hours of leisure time for you to combine all what the resort has to offer with top-of-the-line CME and social activities.

## COURSE CO-DIRECTORS

### Quoc-Dien Trinh, MD

Urologist, Brigham and Women's Hospital  
Co-Director, Dana-Farber/Brigham and Women's Prostate Cancer Program  
Harvard Medical School

### Matthew Mossanen, MD

Urologist, Brigham and Women's Hospital  
Assistant Professor of Surgery, Harvard Medical School

## CHIEF OF UROLOGY, BRIGHAM AND WOMEN'S HOSPITAL

### Adam S. Kibel, MD

Urologist, Brigham and Women's Hospital  
Elliott Carr Cutler Professor of Surgery, Harvard Medical School  
Chief of Urology, Brigham and Women's Hospital/Dana-Farber Cancer Institute

## Featured Keynote Lectures

### Controversies in Percutaneous Nephrolithotomy (PCNL)

Margaret S. Pearle, MD - UT Southwestern Medical Center

Dr. Margaret Pearle is a Professor with joint appointments in UT Southwestern Medical Center's Department of Urology and the Mineral Metabolism Center, and is holder of the Ralph C. Smith Distinguished Chair in Urologic Education. She specializes in kidney stone treatment.

Dr. Pearle received her medical degree from the University of Chicago and completed her residency at Northwestern University Medical Center. She attended Washington University School of Medicine for her fellowship. She is a

Fellow of the American College of Surgeons, a Trustee of the American Board of Urology, a member of the American Association of Genitourinary Surgeons and the American Urological Association, and a member of the Board of Directors of the Endourological Society.

Her research interests include evaluation of dietary and medical therapies for kidney stone prevention, assessment of outcomes for minimally invasive surgical treatments, and development and assessment of resident teaching tools. She has published and spoken extensively on these topics.

### Social media and Urology

Stacy Loeb, MD - New York University (NYU)

Dr. Stacy Loeb is a Professor of Urology and Population Health at New York University (NYU) and the Manhattan Veterans Affairs Medical Center, specializing in prostate cancer. Dr. Loeb completed her urology residency training at Johns Hopkins and subsequently completed a Masters of Science in Comparative Effectiveness Research at New York University. She currently has grants from the Prostate Cancer Foundation, Department of Defense and NYU Perlmutter Cancer Center.

Dr. Loeb has published more than 350 peer-reviewed articles and 10 book chapters, primarily on prostate cancer, men's health, and social media. She is on the Editorial Board for the Journal of Clinical Oncology, European Urology, Reviews in Urology, Nature Reviews in Urology and Urology Times. She also authored the chapter on Early Detection, Diagnosis, and Staging of Prostate Cancer for Campbell-Walsh Urology, the primary textbook in the field.

Dr. Loeb received the 2021 Gold Cystoscope Award from the American Urological Association, which is awarded annually to a urologist for outstanding contributions to the field within 10 years of graduating from residency training. Dr. Loeb hosts the Men's Health Show on Sirius XM 110 US/Canadian satellite radio. Dr. Loeb is an active participant in social media, and has received multiple awards from the BJU International for her contributions to social media in medicine. Dr. Loeb is a member of the American Urological Association Public Media Committee and a consultant to the European Association of Urology Guidelines Office Social Media Committee.

### The Role of Penuma in Male Sexual Health

Michael P. O'Leary, MD - Brigham and Women's Hospital, Harvard Medical School

Dr. O'Leary is a senior urologic surgeon at Brigham and Women's Hospital and professor of surgery at Harvard Medical School. A graduate of George Washington Medical Center, he completed his residency in urology at Massachusetts General Hospital and New England Medical Center, and his fellowship at the University of California, San Francisco School of Medicine. He is board certified in urology. Dr. O'Leary has been identified as one of America's Top Urology Doctors by Castle Connolly and was named a top urologist by Boston Magazine.

An active researcher, Dr. O'Leary has focused on the development and validation of hard measures of subjective outcomes in urologic disease. He has been an investigator in clinical trials for new modalities of therapy for erectile dysfunction. Dr. O'Leary's current research includes benign prostatic hyperplasia (BPH) and male sexual dysfunction. His clinical specialties include: BPH, male infertility, male sexual dysfunction and stone disease.

## Advances in Urologic Care

- Target audience: Urologists
- Duration: 15 hours
- Registration opens: August 1, 2021
- Each presentation lasts 30 minutes, including a question period

### Registration & Accomodation

- Scientific Registration Fees: \$695 USD
- This rate only applies to individuals who wish to receive an attendance certificate
- Accommodation must be booked through Cameleo CME

Cameleo CME handles traveling, logistics and on-site management for this event. Registration and accomodation at Club Med Michès Playa Esmeralda must be booked trough them. If you have questions or are ready to book, please contact:

Josh Botelho, Travel Concierge, at 1-800-590-5995 / josh.botelho@CameleoMED.com

Online registrations are also available at [www.UrologicCare.com](http://www.UrologicCare.com)

## Thursday November 18, 2021

8:00 AM to 8:30 AM (Margaret S. Pearle, MD - UT Southwestern Medical Center)  
**Controversies in Percutaneous Nephrolithotomy (PCNL)**

8:30 AM to 9:00 AM (Michael P. O'Leary, MD - Brigham and Women's Hospital, Harvard Medical School)  
**The Role of Penuma in Male Sexual Health**

9:00 AM to 9:30 AM (Adam S. Kibel, MD - Brigham and Women's Hospital, Harvard Medical School)  
**New Developments in Prostate Cancer Biomarkers in 2021**

9:30 AM to 10:00 AM (Adam S. Kibel, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Optimizing Management of The High-Risk Prostate Cancer Patient**

10:00 AM to 10:15 AM  
**Break**

10:15 AM to 10:45 AM (Quoc-Dien Trinh, MD - Brigham and Women's Hospital, Harvard Medical School)  
**COVID Update: Impact Urologic Cancer Care Delivery**

10:45 AM to 11:15 AM (Quoc-Dien Trinh, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Robotic Prostatectomy: Tips and Tricks to Improve Outcomes**

11:15 AM to 11:45 AM (Matthew Mossanen, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Updates in Non-Muscle Invasive Bladder Cancer**

11:45 AM to 12:15 PM (Matthew Mossanen, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Optimizing Outcomes After Radical Cystectomy**

## Friday November 19, 2021

2:00 PM to 3:00 PM  
**Case Debates in Urology: Prostate Cancer, Kidney Cancer, Nephrolithiasis**

3:00 PM to 4:00 PM  
**Moderated Poster Session and Interesting Cases**  
Submit Cases to: [mmossanen@BWH.Harvard.edu](mailto:mmossanen@BWH.Harvard.edu)

4:00 PM to 4:15 PM  
**Break**

4:15 PM to 4:45 PM (James Borin, MD - NYU Langone Health)  
**Imaging for Nephrolithiasis: Which test and when?**

4:45 PM to 5:15 PM (James Borin, MD - NYU Langone Health)  
**The incidental renal cyst: Treat, follow or ignore?**

## Saturday November 20, 2021

7:30 AM to 8:00 AM (Steven Lee Chang, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Recent developments in Upper Tract Urothelial Cell Carcinoma**

8:00 AM to 8:30 AM (Steven Lee Chang, MD - Brigham and Women's Hospital, Harvard Medical School)  
**How to manage the patient with a small renal mass?**

8:30 AM to 9:00 AM (Steven Lee Chang, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Video Session: Tips and Tricks for Robotic Partial Nephrectomy**

9:00 AM to 9:30 AM (Mark A. Preston, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Optimizing Active Surveillance for Prostate Cancer**

9:30 PM to 9:45 AM  
**Break**

9:45 AM to 10:15 AM (Mark A. Preston, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Novel Imaging Strategies for Men with Advanced Prostate Cancer**

10:15 AM to 10:45 AM (Mark A. Preston, MD - Brigham and Women's Hospital, Harvard Medical School)  
**The role of PSA is screening for prostate cancer**

10:45 AM to 11:15 AM (Alexander P. Cole, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Focal Therapy Options in the Treatment of Prostate Cancer**

11:15 AM to 11:45 AM (Alexander P. Cole, MD - Brigham and Women's Hospital, Harvard Medical School)  
**MRI fusion biopsy: tips and tricks**

**Lunch Break**

2:30 PM to 3:00 PM (William R. Boysen, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Management of Urologic Trauma for the Practicing Urologist**

3:00 PM to 3:30 PM (William R. Boysen, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Reconstruction and Alternatives for Urethral Stricture Disease**

3:30 PM to 4:00 PM (William R. Boysen, MD - Brigham and Women's Hospital, Harvard Medical School)  
**An Update on the Current Status of Gender Affirming Surgery**

4:00 PM to 4:15 AM  
**Break**

4:15 PM to 4:45 PM (Alexander P. Cole, MD - Brigham and Women's Hospital, Harvard Medical School)  
**How good is MRI for prostate cancer detection and surveillance?**

4:45 PM to 5:45 PM (Meagan Gavin, Portfolio Solutions, BlackRock)  
**Investing for Physicians: Basics & Beyond**

## Men's health and other genitourinary conditions

- Target audience: Family physicians and non-urologist specialists
- Duration: 6.5 hours
- Registration opens: August 1, 2021
- Each presentation lasts 30 minutes, including a question period

## Thursday November 18, 2021

2:30 PM to 3:00 PM (Margaret S. Pearle, MD - UT Southwestern Medical Center)  
**Dietary Management of kidney stones**

3:00 PM to 3:30 PM (Margaret S. Pearle, MD - UT Southwestern Medical Center)  
**Surgical Management of stones with complex anatomy**

3:30 PM to 4:00 PM (Michael P. O'Leary, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Management of Erectile Dysfunction and Incontinence after Prostatectomy**

4:00 PM to 4:15PM  
**Break**

4:15 PM to 4:45 PM (Michael P. O'Leary, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Review of Treatment Options for Testosterone Deficiency**

4:45 PM to 5:15 PM (Elodi J. Dielubanza, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Evaluation and Management of Pelvic Organ Prolapse**

5:15 PM to 5:45 PM (Elodi J. Dielubanza, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Surgical Management of Female Stress Incontinence**

## Friday November 19, 2021

8:00 AM to 8:30 AM (Stacy Loeb, MD - New York University)  
**Implementation of Germline Testing in Urologic Practice**

8:30 AM to 9:00 AM (Stacy Loeb, MD - New York University)  
**The Role of social media in Urology**

9:00 AM to 9:30 AM (Stacy Loeb, MD - New York University)  
**Plant based diet and Urologic Health**

9:30 AM to 10:00 AM (Elodi J. Dielubanza, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Recurrent UTIs: What to do next?**

10:00 AM to 10:15 AM  
**Break**

10:15 AM to 10:45 AM (George E. Haleblan, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Tips and Tricks for Ureteroscopy**

10:45 AM to 11:15 AM (George E. Haleblan, MD - Brigham and Women's Hospital, Harvard Medical School)  
**Management of the Acute Stone event**

11:15 AM to 11:45 AM (George E. Haleblan, MD - Brigham and Women's Hospital, Harvard Medical School)  
**An Update in the Management of BPH**
